

Dear colleagues,

We have the pleasure to inform you that the call for sessions for Paris 2022 International Geographic Union Centennial Congress (**18th-22nd July, 2021**) is extended until **October 1st, 2021**. The announcement of the accepted sessions is expected by **October 15th, 2021**.

We remind you that the proposals can be of two different kinds. They can either be included in:

- The theme of the 2022 congress, "Time for Geographers", see the call for sessions here <https://www.ugiparis2022.org/en/scientificinformation/1>.

In this case, the proposals will be assessed and managed by the scientific committee of the Congress.

- The perimeter of one of the International Geographic Union's commissions, see commissions list here: <https://www.ugiparis2022.org/index.php?lang=en&onglet=17>.

In this case, the proposals will be assessed and managed by the chairs of the various commissions.

Precisions about session proposals:

- You can propose **in person** or **virtual** sessions. Sessions will either be only in person or only virtual. If unspecified, sessions will be in person.

- Presentations and debates may be held in English, French or Spanish, provided that sessions chairs arrange a translation (the Congress will not offer interpretation services). Sessions proposal may be sent **in English or in French** only.

- You may submit a session without expected speakers' names. However, in order to assess the sustainability of the session, it is recommended to submit some expected speakers names, who later will submit their resumes for evaluation during the call for submissions.

- It's not possible to organise more than one session per person.

- Sessions can cover one timeslot (105 minutes) or expand, according to the number of communications, on several timeslots within the limits of 4 timeslots.

Online registration will open soon, with a wide range of registration fees, taking in account the participants' diversity of situations. For more information see here:

<https://www.ugiparis2022.org/en/registration/11>.

In person registration fees range goes from 65€ to 450€. You may register for the whole congress or

for one day only.

Virtual registration fees range goes from 85€ to 270€.

We look forward to seeing you in Paris in July 2022,

The local organisation committee
